I've been here waiting and they just called and said they couldn't
come for another hour.
But I have patients now until 5
So I'm rescheduling with a different company
I'm sorry

use the driveway please
🙏 thank you

She moved, it's fine

It's just if it had been a patient pulling in, they would have done some crazy LA thing

I'm back,
But have a patient right now,
He'll be gone by 6:15, so I can come back then to look at those
heaters

Hi 🙋
Yes I'll be around
I have patients pretty much nonstop until 4, but I'll see you.
I was watching for you last Wednesday since you'd said you
couldn't change your flight, I kept thinking I heard you, but was
obviously imagining it.
Thanks for letting me know

I have a patient arriving that will be parked in the driveway with a large car,
Please warn your workers to be careful going passed it.
Previous ones have knocked over the landscaping lighting
